Family Members and Caregivers Sample Social Media for Older Driver Safety Awareness Week 2022

- **Caregivers: Are you worried about an older adult and their driving? Looking for conversation starters about driving safety with someone you care for? View our #Caregivers guide to learn more. #ODSAW22. >> <http://bit.ly/3DTZFGU>**
- **Caregivers: #Caregiver or Family members: do you need help talking with someone about driving safety? @RoadSafeSeniors created a resource to help. View these resources and share them with your loved ones. #ODSAW22. >> <http://bit.ly/3mdnTTz>**
- **Caregivers: #OccupationalTherapists and Driving Rehabilitation Specialists have the ability to help keep #OlderDrivers safer when driving. #Caregivers should use #RoadSafeSeniors resources to find resources in the community to help the people they love and care for. View the #RoadSafeSeniors resources during #ODSAW22. >> <http://bit.ly/3fE5WLF>**
- **Caregivers: Family members and #Caregivers, use the transportation planning tool and other resources @RoadSafeSeniors to empower older adults and promote mobility, safety and well-being. Plan for the road ahead with #TrafficSafety in mind. Start planning here. #ODSAW22. >> <http://bit.ly/3fK7vYj>**
- **Caregivers: Keep the older adults in your life engaged in the community—with or without a car. Learn about alternate transportation options in your community to help those who may need to change their driving habits. #Caregivers. #ODSAW22. >> <http://bit.ly/3fE5WLF>**
