

Clearinghouse for Older Road User Safety

Older Driver Sample Social Media for Older Driver Safety Awareness Week 2022

- **Older Drivers: According to @NHTSAGov, #OlderDrivers made up 13% of drivers involved in fatal crashes in 2020. As we age, we may need to consider making some driving changes to maintain safety and independence. Learn how you can plan for road safety. #ODSAW22. >> <http://bit.ly/3rvJBWW>**
- **Older Drivers: #ODSAW22 is the perfect time for #OlderDrivers to talk about driving with your family and plan for safe mobility for your future. Find resources to help start planning for your transportation future. >> <http://bit.ly/3fK7vYj>**
- **Older Drivers: #OlderDrivers, a self-assessment may help you determine if you could benefit from consulting a medical professional or Driving Rehabilitation Specialist to improve your driving safety during #ODSAW22. >> <http://bit.ly/39kKZEh>**
- **Older Drivers: The impacts of aging may lead to a need to change our driving habits. ChORUS offers ways to stay independent and mobile. Find resources in your community during #ODSAW22. >> <http://bit.ly/3fE5WLF>**
- **Older Drivers: Being a safe driver can contribute to your health and well-being. #OlderDrivers, use ChORUS resources @RoadSafeSeniors to plan for your transportation future. #ODSAW22. >> <http://bit.ly/3fK7vYj>**
