

# STATE TRAFFIC SAFETY PROGRAMS FOR OLDER ADULTS

The State Traffic Safety Programs for Older Adults is a resource developed to help traffic safety professionals learn about other states' older road user safety programs, the various program components of each, and identify components to consider implementing or expanding in their states. This information will be updated periodically and over time revised to meet the continuing needs of our traffic safety professionals.

Select any state from the table below to view additional details and models.

If you would like to add or update your state program information, please reach out to us at: [roadsafeseniors@neweditions.net](mailto:roadsafeseniors@neweditions.net)
